 Lx Components

For use with our highly specified LED and Xenon festoon lamps. Lx Festoon Lampholders feature a high quality reflector and base for directing light the way you need it. This accent task socket has an L shape design that provides illumination for general applications that require crisp linear lighting including cabinets, coves and showcases. Snap your lampholder onto Lx track and cable with ease and space to your design criteria and lamp source. Lamp source, track and cable sold separately. Recommended Minimum Spacing: Two inches on center with xenon, four inches on center with LED.

UPC #:785652983054

Finish: White (15)
